

## ST. THOMAS SUMMER SENSATIONS

### SUMMER PRIDE AND TIGER CONNECTIONS POLICIES

**Arrival & Dismissal** All parents/ guardians must walk their children to and from classes each day. There is no carpool during summer programming.

*The Tiger Connections program schedule is listed separately, but can be coordinated with the Summer Pride Program.*

#### **Summer Pride:**

7:30 - 9:00 a.m. : AM extended care

9:00 a.m. - 12:00 noon : Morning

12:00 noon - 3:00 p.m. : Afternoon

3:00 p.m. - 6:00 p.m. : PM extended care

Arrival and dismissal times are listed above. You may pick your child up at your convenience before the above-stated times. Students will be released only to authorized persons. (You must list authorized persons on your child's paperwork at the time of registration.) Please notify anyone who may be picking up your child to have picture identification with them.

**Late fees** Please do your best to pick your child up on time. We dislike late fees as much as you do. **Late fees will be assessed at the rate of \$1.00 for each minute. Late fees must be paid at the time they are incurred** and are to be paid to the person who has stayed late with your child.

**Lunch** Lunch is at 12:00 noon. All students must bring their own brown bag type lunch and drink each day. Students will keep lunches in their classrooms. No refrigeration or warming of lunches will be available.

**Snacks** A daily morning and afternoon snack will be provided. Please inform the staff if your child has any food allergies. If a child has food allergies, we welcome parents to send an individual snack.

**Naps** Children age 5 and under will nap or rest each afternoon. Mats are provided, but you may send a mat cover, blanket and/or a favorite soft toy to snuggle.

**Dress code** Please dress your child in comfortable play clothes, including tennis shoes. We ask that you send an extra set of clothes for those times when a spill or an accident happens as students are more comfortable in their own clothes.

**Birthdays** At St. Thomas, we feel that each child's birthday is a special time. Let us know if your child has a summer birthday so we can celebrate with him/her. You may send birthday snacks for the class that day (please inquire about student food allergies within your child's class).

**Special Needs** If your child has any special needs, please be sure to have a conference with the director of programming so we will be able to meet requests and expectations.

**Sunscreen** Summertime is a terrific time to have "fun in the sun", but as we all know, too much of a good thing can be bad. Please put sunscreen on your children before they come in the morning. If you feel it is necessary, send the sunscreen of your choice with your child's name on it and a permission note for use, and we will do our best to meet your request.

**Medications** Parents are encouraged to give all medications to children before and after hours of attendance. However, at your written request, we will administer medication to your child.

Procedures are as follows:

1. Prescription medications must be in the original container labeled with the child's name, date, directions, and physician's name.
2. Non-prescription medications must be labeled with the child's name and date. The medication must be in the original container and will be administered according to the directions on the label.

3. All medications must be delivered directly to an adult, whether it be the teacher or director of programming. A permission slip must be completed and signed by the parent/guardian. Unused medications will be released only to adults.

**Illness**

If your child becomes ill while at the program, their immediate needs will be taken care of until a parent can be notified to pick them up. There is not a nurse on campus, so please be mindful to pick your child up as soon as contacted. We are caring and loving, but it's not the same as the family connection they need when not feeling well.

**WEEKLY THEMES FOR SUMMER PRIDE**

- #1/JUNE 14<sup>th</sup> – 18<sup>th</sup> **“RAINFOREST FRIENDLY”** This week will concentrate on all things that have to do with the “Rainforest” environment. Learning about the animals, birds, flora, and rainfall will fill our minds and satisfy our curiosity about this wondrous place.
- #2/JUNE 21<sup>nd</sup> – 25<sup>th</sup> **“PULL OUT YOUR PASSPORTS”** We’ll be traveling the world so pull out your passport as we experience the world upfront and personal. Everything from sight-seeing to local cuisine will fill this week as we “go global”.
- #3/JUNE 28<sup>th</sup> – July 2<sup>nd</sup> **“PUT YOUR GAME FACE ON”** We will stay fit while learning about all kinds of games. We will plan a good old-fashioned picnic and competition to top off the week as we celebrate our country’s birthday...God Bless America!
- #4/JULY 5<sup>th</sup> – 9<sup>th</sup> **“EVERY DAY’S A HOLIDAY** Each day of the week will feature a holiday. Come celebrate some of your favorite days of the year and as we break the monotony and heat of summer.
- #5/JULY 12<sup>th</sup> – 16<sup>th</sup> **“LEAPING LIZARDS, DAZZLING DRAGONS, & DINOS”** We will be surrounded with many of your favorite animals...real and mythical this week. Imaginations will soar and help create your own favorite pal, the fun will be limitless!
- #6/JULY 19<sup>th</sup> – 23<sup>rd</sup> **“MAKE A SPLASH”** Water, sand and ocean will fill this week with a way to help take a break from the heat of summer. We will hit the beach and explore the wonders of both!
- #7/JULY 26<sup>th</sup> – 30<sup>th</sup> **“CARNIVAL CRAZY”** This week celebrates our final theme. It will be a regular circus-carnival. A balloon artist is just one of the highlights!!!

Programming includes a variety of learning and fun activities such as arts, crafts, music, library, stories, daily chapel, science, cooking, puppetry, character development (community outreach), in-house specials and visitors.

## >>KidTechLLC Computer Classes

### #329 (weeks 1, 3 and/or 4)

>>KidTechLLC classes provide a variety of age appropriate educational computer experiences, enhanced by *Imagine Tomorrow*® Computer Classes for Kids! Every *Imagine Tomorrow*® class combines a fun learning adventure with sophisticated technology concepts. Children work on individual laptops provided by >>KidTechLLC , using *Imagine Tomorrow*® software that is custom built for each lesson and scaffolds to your child's academic and technical ability levels. Classes are led by a certified *Imagine Tomorrow*® teacher. IT classroom lessons are software based, but parents receive an online password to access lessons learned for reinforcement at home. In addition to these lessons, we will work in groups and individually to master some of the best educational software available, to assist your child in reinforcing cognitive skills, and learning how the parts of the computer work together to be a useful tool in their learning process. The class has a 1:5 teacher/student ratio.

Classes will be held on the brand new "Puterbus". It will be parked next to the Administration Building. What a fun way to learn!

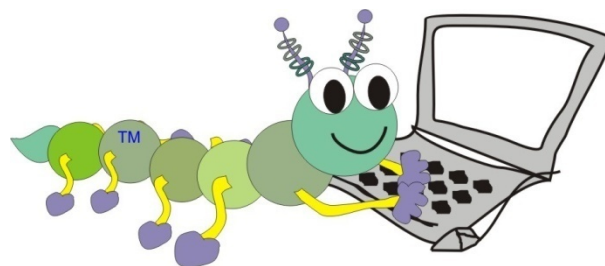

Ages: 4-8years

# #361-(1-7) “IT’S A GUY THING”

## (DON’T WORRY GUYS...NO GIRLS)

*Pirate hat...5 doubloons, Superman cape...\$10, Medieval Armor...\$15, model rocket...\$25, a summer loaded with fun and friends...priceless.*

If you liked my summer camp for boys last year, this year it is going to be even better. Some of the highlights of the camp are themed activities, group games, outdoor adventure and water days, theme movie party Fridays, science experiments, and crafts. If you are looking for the best boys camp in town, led by an experienced camp counselor and P.E. coach look no further than “It’s a Guy Thing”.

### Week 1: Olympic Week (June 14-18)

This week the guys will learn about various winter and summer Olympic sports. Track and field, field hockey, basketball, and soccer are just a few of the events that will be enjoyed. Everyone is sure to be on the podium with a gold medal by weeks end. With expert coaching, and state of the art equipment, the boys are sure to go home with a gold medal!

### Week 2: Viking Week (June 21-25)

“Wake early if you want another man's life or land. No lamb for the lazy wolf. No battle's won in bed.” -Book of Viking Wisdom. Don't be a lazy wolf and join us for Viking Week! We will build replica Viking Longboats to traverse the high seas, play a viking adventure board game, create viking masks, and more. The guys will also create helmet sandwiches, and pizza boats. The week will end with watching *The Hobbit* and making viking cupcakes. Set sail with us for Viking Week!

### Week 3: Space Odyssey Week(June 28-July 2)

A long time ago, in a galaxy far, far way...Well its actually close to the end of June 2010 at St. Thomas conveniently located, but anyway. This week the guys will be beamed up to outer space and will partake in many exciting activities that will test their imaginations. We will build scale models of the Starship Enterprise, and Millennium Falcon, create star wars finger puppets, learn how to sketch favorite Star Wars/Star Trek characters, and more fun crafts. Other highlights will be fun P.E. space related games, rocket building/launch, making a Star Wars theme cake, and of course watching the Star Wars movie! Join us this week to fight the dark side!

### Week 4: Go Medieval! Week (July 5-9)

This week the guys will go back in time to the dark ages. Dragons, castles, armor and weaponry making, and medieval games will all be enjoyed by the knights. No medieval week would be complete without a feast for our knights returning from battle. The knights will also construct castles, make stained glass windows, be able to recite the knights code, and have a medieval movie festival among other activities. T'would be a chivalrous act to join us at the Round Table for Go Medieval week.

### Week 5: Superhero Week (July 12-16)

Superman, Batman, Spiderman, Green Lantern, and my favorite Silver Surfer will all be here for Superhero Week. The guys will learn about their favorite super heroes...and villains. We will create masks and capes, come up with their own superhero, and participate in P.E. related superhero games. We will also complete the Superhero Power Book complete with crafts, science experiments, and a superhero acting workshop. The week will end with a viewing of Spiderman, and making Green Goblin Guacamole dip.

### Week 6: Around the World in 5 Days (July 19-23)

North America, South America, Africa, Europe, Asia, Australia, and Antarctica; the guys will see all continents this week. didgeridoos, sugar cube pyramids, dream catchers, and Chinese dragons are among the crafts that the guys will create. The ever popular dry ice experiments will be included for Antarctica day. Also an around St. Thomas scavenger hunt will be among the highlights. We will watch *Around the World in 80 Days* starring my favorite kung fu comedy star Jackie Chan!

### Week 7: Aargh!! Pirate Week! (July 26-30)

Arrgh!!! This week be a hit with the land lubbers. This week we will partake in all things pirate. We will build our own mini pirate ships, and then a massive ship that the pirates can get into and traverse the high seas. The popular talk like a pirate day will be among the highlights. The pirates will watch *Pirates of the Carribean* and will make dirt cupcakes. Join us for new adventures in the third and best installment of Pirate Week. Land ho!

Each day will include themed activities, outside free time, water days on Mondays and Wednesdays, theme movies on Fridays, art and science activities, and provided snack time. Be sure to bring sunscreen each day, and swim gear on appropriate days

\*There will be a walking field trip on Fridays  
for lunch at Schlotskys.(send \$5.00 each week)

# **#380 SPORTSBALL**

## **Multi-Sport instruction for children.** **8 different sports.**

**Sportball teaches children the skills of soccer, basketball, baseball, golf, volleyball, tennis, football and hockey. Kids will learn and play a different sport each day. In addition there will be arts& crafts, and a snack time. Each student must bring their own nut free snack and drink. Water is available.**

**The program helps children develop an early love of sports, and prepares them physically and emotionally to participate in sports and physical activities throughout their lifetime.**

**Sportball's philosophy is to teach these sports skills in a safe, fun, non-competitive way.**

**Brand new to San Antonio, over 8000 children participate in Sportball programs across Canada, and in over 40 locations in Austin.**
