

Summer 2017

One Week Only

Camp Seeley is held at St. Thomas Episcopal Church and School as part of their Summer Sensations Program. This program is designed for children entering kindergarten thru 5th grade graduates.

During camp they will be working primarily on singing and dancing. The goal is to have fun and to have every child feel special and confident, no matter what their experience level.

In addition to preparing for the show, pop week will include a snack, costume, t-shirt and a daily craft that will be used in the show as a prop or backdrop. Your camper will also have a photo shoot and prepare a playbill for the Friday performance.

No special clothes or equipment are necessary—a smile is the best accessory! There will also be some time to just play and be a kid.

Seeley believes that every child can sing and dance. There are no mistakes, just moments for your child to shine. We encourage camper families to bring lots of supporters to see their child in the Friday Pop Concert—we promise your child will feel like a star!

About Seeley

Seeley Stephens is a St. Thomas and TMI-The Episcopal School of Texas Alumni who is currently a junior at Pace University in New York City. This is her sixth summer to hold Camp Seeley at St. Thomas.

Seeley found her love of performing at the age of four at the Josephine Theatre when she drove on stage as Barbie Girl. Since then she has been performing in local San Antonio theatres and a few small venues in New York City. Her credits include *Annie*, *Really Rosie*, *Smokey Joe's Café*, and countless other musical reviews at the Harlequin and Josephine Theatres. This fall she was the Intern and Associate Producer of Special Events for the 2016 Broadway and HERO awards, where she performed with several Broadway stars. She is also a founding member of Tonal Recall, an A Capella group at Pace University.

Seeley received a "Golden Ticket" to Hollywood on season 12 of American Idol. She has won ATAC Globe Awards for best actress in a musical and best supporting actress in a musical. She was named a 2013 National Young Arts Foundation winner in Voice/Popular Voice and was in the top five in the state finals of the Poetry Out Loud competition. Seeley is very excited to share her love of performing with your camper during Pop Week of Camp Seeley this summer.
