

Hearts Need Art uses the arts to humanize the healthcare experience and promote well-being for cancer patients, their families, and caregivers.

In our visual arts program, we use art supplies to equip patients with the creative tools they need to express themselves, find needed distraction, and create meaning in their journey with cancer.

Needed Art Supplies

1. **Adult Coloring books**
2. **Colored pencils (pack of 12 or more)**
3. **Oil Pastels**
4. **Pencil sharpeners**
5. **Sketch books/journals**
6. **Strathmore 400 series Acrylic paper pad (12x12 or 12x18)**
 - o Cheaper if purchased at dickblick.com or amazon.com

Note: Because our patients have fragile immune systems, all items need to be brand new and non-toxic
