<b>Extended Care for both programs</b>	
7:30 a.m. – 9:00 a.m.: Morning	3:00 – 6:00 pm: Afternoon

**Late fees**     **If you have not registered and/or paid for your camp 2 weeks in advance, you are subject to a \$30 late fee.** Please do your best to pick your child up on time. We dislike late fees as much as you do. Late fees will be assessed at the rate of \$1.00 for each minute. Late fees must be paid at the time they are incurred and are to be paid to the person who has stayed late with your child.

**Lunch**     Lunch is at 12:00 noon. All students must bring their own brown bag type lunch and drink each day. Students will keep lunches in their classrooms. No refrigeration or warming of lunches will be available. **(NO NUTS PLEASE)**

**Snacks**     A daily morning and afternoon snack will be provided. Please inform the staff if your child has any food allergies. If a child has food allergies, we welcome parents to send an individual snack. **(NO NUTS PLEASE)**

**Naps**     Children age 5 and under will nap or rest each afternoon. Mats are provided, but you may send a mat cover, blanket and/or a favorite soft toy to snuggle.

**Dress code**     Please dress your child in comfortable play clothes, including tennis shoes. Please send an extra set of clothes for those times when a spill or an accident happens. Make sure to label everything.

**Special Needs** If your child has any special needs, please be sure to have a conference with the director of programming so we can make sure to meet requests and expectations.

**Sunscreen** Summertime is a terrific time to have “fun in the sun,” but as we all know, too much of a good thing can be bad. Please put sunscreen on your children before they come in the morning. If you feel it is necessary, send the sunscreen of your choice with your child’s name on it and a permission note for use, and we will do our best to meet your request.

**Illness** If your child becomes ill while at the program, his/her immediate needs will be taken care of until a parent can be notified to pick up. There is not a nurse on campus, so please be mindful to pick your child up as soon as contacted.

**Medications** Parents are encouraged to give all medications to children before and after hours of attendance. However, **at your written request**, we will administer medication to your child.

**Medication Procedures:** *All medications (prescription and non-prescription) must be in the original container labeled with the child’s name, date, directions and a physician. The medication will be administered according to the directions on the label. All medications must be delivered directly to an adult, the teacher or director of programming. A permission slip must be completed and signed by the parent/guardian for all medications. Unused medications will be released only to adults.*
